step 1
To be able to receive invoices or documents from a company, you must register with the company in question.

Choose payments »FiNBOX» companies from the menu at the left of the screen.

The companies screen will appear:

about this screen
This overview shows the companies with which you can register to receive documents in your FiNBOX. The companies with which you have already registered show a green checkmark in the my companies column.

new companies
The list of companies that have recently started offering this service and with which you can register to receive documents in your FiNBOX.

all companies
The list of all companies with which you can register to receive documents in your FiNBOX.

Click information >> for more information about the documents of the company.
Click register >> to register with your selected company.
step 2
You have clicked register >> in the companies screen to register with your selected company.

The company screen will appear:

about this screen
This screen is used to register with the selected company to receive documents in your FiNBOX.

Click **register >>** to register again.
Move the mouse over the exclamation mark ! to read the reason for your cancellation.

It is possible that a company no longer offers to send documents in your FiNBOX. In that case, you cannot register again.
View company details

Information about consulting the invoices and/or documents of a company

▶ Choose payments >> FiNBOX >> companies from the menu at the left of the screen.

The companies screen will appear:

Click information >> at the company in question for more information about the documents/invoices from the company. The Information screen will appear:

The Information page displays the information of the selected company. The information on this page is supplied by the company. If you have any questions and/or remarks, please contact the company.

<Company Name>

General information about the invoices and/or documents of the company, including the contact information.

Click Back to return to the companies screen.

Click register >> to register with the company to receive your documents in FiNBOX.
**View and pay new invoices**

**Checking and paying new invoices and/or documents**

- Choose payments >>FiNBOX>> new messages from the menu at the left of the screen. The New messages screen will appear:

![New messages screen](image)

The New messages screen is used to pay the invoices and/or check your received documents. The payment is made on the last due date as standard. If the last due date has expired, the payment will be made immediately.

An exclamation mark with an invoice indicates that the payment date has elapsed, or that the order has been rejected. You can see this by moving the cursor over the exclamation mark.

**messages received by:**
Indicate if you want to see the messages of all contracting parties (standard), or of a specific contracting party.
- Click the arrow to select the contracting party from the list.

**invoices to be paid**
- **date rec.**
  the date on which you received the invoice.

**company**
the company that sent you the invoice. Click the arrow next to company to sort the list in alphabetical order.

**description**
the description that the company has placed on the invoice.
amount the amount on the invoice. Click the arrow next to amount to sort the list in descending alphabetic order.
Click to change the invoice before you pay it.
Click to add the invoice immediately to the payment orders to be sent page, from which you send the payment order.

direct debit overviews
The overview of your direct debits. Here, you see the date of receipt, the company that is collecting, the description of the collection invoice and the amount.

credit invoices
The overview of your credit invoices. Here, you see the date of receipt, the company, the description of the credit invoice and the amount.

other documents
The overview of your other documents. Here, you see the date of receipt, the relevant companies and the description of the documents.

The following applies to all received invoices and/or documents:

- Click to display the details of the document.
- Click to move the invoice to the archive

Move the mouse over the date of receipt to see the due date.
Select not yet paid orders or rejected orders to display the status of your invoices sent that are ‘still to pay’

It is possible that the payment must be credited to the account of the company before the planned last weekday before the due date. To see if this applies, look at the payment instruction on the invoice. You can change the desired execution date by clicking the button

Paid invoices will be automatically transferred to the archive when successfully debited from your account.
Paid credit, direct debit and other documents will be automatically transferred to the archive 7 days, after viewing the details.
**Change a digital invoice**

**Digital Invoice**

**Changing invoices before payment**

- Choose payments >>FiNBOX>> new messages from the menu at the left of the screen.

  The New messages screen will appear:

Click at the relevant document. The FiNBOX screen will appear.

The FiNBOX screen is used to change a number of items in the invoice before you actually pay it. If desired, you can change the account number, the amount, the description and the execution date.

**from**

The account from which you want to pay the invoice.

  - Click the arrow to select another account from the list.

**to**

The data of the beneficiary of the invoice. You can change the data of the fields that are not greyed out.

You can change the description in the description fields;

You can change the amount in the amount field;
You can change the execution date in the **required execution date** field (immediately or at a date that you enter). The date is defaulted to the due date or immediately after the due date is expired.

**notice**

Click the word *invoice* to call the document.

If applicable, click the company link to go to the homepage of the company.

The description of the payment will not be sent to the company. The description is only intended for your own administration and is shown on your bank statement and/or your deposits and withdrawals.

After you have made the desired changes, click **OK & Send** to send the payment immediately to the bank.

With **OK & Back to overview**, the changes are saved and you return to the **new messages** screen.

With **Cancel**, the changes are not saved and you return to the New messages screen.
View archived invoices and/or documents

Consulting archived invoices and/or documents

- Choose payments >> FiNBOX >> archive from the menu at the left of the screen.

The Archive screen will appear.

The Archive screen displays the overview of your archived invoice and/or documents.

unpaid invoices

The invoices that are not paid. Here, you see the date of receipt, the company that sent you the invoice, the description of the invoice and the amount.
